Why Support PacMam?

We are a local 501(c)3 non-profit on Fidalgo Island. We want to increase, apply and share scientific knowledge on marine mammals in the Salish Sea.

How Can YOU Help Harbor Porpoises and Harbor Seals?

Report Sightings

Seen a harbor porpoise or harbor seal? Let us know:

- ◇ Date + time + location
- ◇ How many animals?
- ◇ Behaviors?

Send your photos & sighting notes to:

Our Mission

Pacific Mammal Research (PacMam) is a scientific research organization that studies free-ranging marine mammals in the Salish Sea to improve our understanding of their life history, behavior, social structure and ecology within a dynamic and changing environment. Using traditional and innovative scientific techniques, we provide information critical for conservation measures and create public awareness through education.
